CONDITIONS OF SALE.

1. The General Remarks and Stipulations at the commencement of the Particulars shall be deemed to be incorporated in these Conditions, but where inconsistent with these Conditions these Conditions shall prevail.

2. The highest bidder for each Lot shall be the Purchaser. A reserve price is placed upon each Lot and the Vendor reserves the right to bid by himself or his agent and also the right to withdraw any Lot from the Sale and to offer the estate for sale as a whole and to consolidate two or more Lots into one and to re-arrange any Lot or Lots or alter the order of the Lots.

3. No person is to advance less than the sum to be fixed by the Auctioneer at any bidding or to retract any bidding, and if any dispute arise the Lot in dispute is to be put up again at the last undisputed bidding, or the Auctioneer may determine the dispute.

4. Each person is at the close of the sale to him to pay to the Vendor's Solicitors hereinafter named a deposit of £10 per cent. on the amount of his purchase money, including the value of the timber (if any) on his Lot, as stated in the Particulars, and to sign an Agreement in the form subjoined to these Conditions for the completion of his purchase according to these Conditions, and shall pay the remainder of his purchase money on the 25th day of March, 1916, at the Office at 17, Lincoln's Inn Fields, London, of Messrs. ROOPER & WHATELY, the Solicitors of the Vendor, at which time and place the purchases are to be completed. Upon payment of the balance of his purchase money (including the balance of the price of timber, if any) each Purchaser is as from the said 25th day of March next to be let into the possession or receipt of rents and profits of the Lot or Lots purchased by him, and up to that day all rent, rates, taxes and outgoings are, if necessary, to be apportioned, and each Purchaser shall on completion pay to the Vendor his proportion of the current rent, including any rent payable on the day fixed for completion, less his proportion of current outgoings in respect of the Lot or Lots purchased by such Purchaser. If from any cause whatever the purchase of any Lot is delayed beyond the day fixed for completion the Purchaser of such Lot shall pay to the Vendor interest on the balance of his purchase money, including the balance of the price of the timber (if any) at the rate of £5 per cent. per annum as from that day until the actual completion of the purchase, and shall not be entitled to any compensation for the Vendor's delay or otherwise; but this stipulation is without prejudice to the Vendor's rights under any other of these Conditions. Where a Purchaser is the Tenant of the Lot or Lots purchased by him he shall on completion pay all arrears of rent due from him.

5. Each Purchaser shall immediately after the Sale pay to the Auctioneer as a fee for selling the sum of £1 1s. in respect of every £100 or a fractional part of £100 of the purchase money and value of timber up to £1,000, and the sum of 10/6 for every £100 or fractional part of £100 above £1,000, and a like fee to the Vendor's Solicitors towards the expenses of the Sale.

6. In the case of every Lot, the timber on which is under the General Remarks and Stipulations aforesaid, and the Particulars, separately valued, the Purchaser shall, in addition to his purchase money, pay for the timber thereon the sum named in the Particulars of such Lot, which shall be deemed part of the purchase money of such Lot for all purposes, including the payment of deposit.

7. If more than one Lot shall be purchased by the same Purchaser, the Vendor may at his option either treat each such purchase as a separate and independent purchase (except that in no case shall more than one Abstract of the Common Title be delivered) or treat the whole of such purchases as a single purchase at the aggregate price to be carried out accordingly and completed by a single Conveyance.

8. Each Purchaser is within 14 days after delivery of his Abstract to send to the Solicitors of the Vendor a statement in writing of all the objections and requisitions (if any) to or on the Title or the Abstract or the Particulars or these Conditions, and subject thereto the Title is to be deemed accepted, and all objections and requisitions not included in any statement sent within the time aforesaid are to be deemed waived, and an answer to any objection or requisition is to be replied to in writing within seven days after the delivery thereof, and if not so replied to is to be considered satisfactory and time is to be deemed as of the essence of this Condition. If any Purchaser shall insist on any objection or make any requisition, either as to Title, Abstract, or Evidence of Title, Particulars, Conditions, Conveyance, or otherwise which the Vendor shall be unable or unwilling to remove or comply with, and shall not withdraw such objection or requisition within 7 days after being required so to do in writing by the Vendor or his Solicitors, the Vendor may by notice in writing to be given by him or his Solicitors to such Purchaser or his Solicitors, and notwithstanding any intermediate negotiation or litigation in respect thereof, rescind the Contract for Sale, and the Vendor shall within 21 days after such notice repay to the Purchaser whose Contract is so rescinded his deposit money, but without any interest, costs of investigating the Title, or other compensation whatever, and such deposit shall be accepted by him in satisfaction of all claims on any account whatever, and the Purchaser whose Contract is so rescinded is to return forthwith all Abstracts and papers in his possession belonging to or supplied to him by the Vendor.

9. (a) The Purchaser of any and every Lot which does not fetch more than £500 (notwithstanding that he may purchase two or more such Lots of which the aggregate price shall exceed that sum) shall without requiring an Abstract or investigation of Title accept the Vendor's Title thereto in fee simple free from incumbrances, subject only to the lease or tenancy (if any) affecting the same, as mentioned in the Particulars, and the family charges hereinafter mentioned, and such Purchaser shall not be entitled to make any requisition or objection on the Vendor's Title or Evidence of Title in respect of any such Lot or Lots.

(b) In the case of any Lot which shall fetch more than £500, but not more than £1,500, the Title thereto shall commence with the Consolidation Mortgage of the 22nd of July, 1898, below mentioned.

(c) The Title to the remainder of the property shall (subject as regards Lot 3 and those parts of Lot 66 which are coloured dark red on the Sale Plan to the Special Conditions affecting the same hereinafter contained) commence with an Indenture of Settlement dated the 16th of April, 1869.

(d) The Title to Lot 3 shall commence with a general devise contained in the Will of a testator who died in the year 1876, and the Purchaser of such Lot shall assume the seisin or ownership of the Testator and that the property passed by the devise. The said property was purchased by the Vendor in the year 1898, and conveyed to the uses then subsisting in the major part of the Duke of Beaufort family Estates in the Counties of Gloucester and Wilts, and the Purchaser of Lot 3 shall be entitled to an Abstract of Title to such part of the said Estates commencing with the said Indenture of Settlement of the 16th of April, 1869.

(e) As to those parts of Lot 66 which are coloured dark red on the Sale Plan the Vendor and his predecessors in Title have been in undisturbed possession or receipt of the rents and profits thereof for upwards of 20 years last past without giving any acknowledgment of the Title of the Great Western Railway Company or any other Company, Corporation or person to such Railway, or any other Company, Corporation or person or their or his agent. The Purchaser of Lot 66 shall assume that the Vendor has acquired the fee simple of the said pieces of land, and no further or other Title is to be required thereto.

(f) No Purchaser shall require the production of or investigate or make any objection or requisition in respect of the Title prior to that stipulated for as the commencement of Title to his Lot or Lots, whether the same is to commence with the said Consolidation Mortgage or the said Indenture of Settlement of the 16th April, 1869, or otherwise, and as regards the said Settlement, notwithstanding that the same may have created any of the charges, family or otherwise, then affecting the premises, nor shall any objection be made by reason of the said Settlement being expressed in general terms only, but each Purchaser whose Title depends thereon shall assume without further evidence that it comprised the fee simple of the Lot or Lots purchased by him.

10. As regards incumbrances affecting the Vendor's Gloucestershire Estates the whole of such incumbrances (except certain family charges below mentioned) were in 1898 vested in the Prudential Assurance Company, Limited, and are the subject of the said Consolidation Mortgage of the 22nd of July, 1898. Each Purchaser shall assume that there were not at the time of the said Consolidation Mortgage any incumbrances on any part of the Vendor's Gloucestershire Estates except those mentioned or referred to as subsisting in the Consolidation Mortgage, and that all matters stated referred to or implied in that Deed are correct. As to all Mortgages now vested in the said Assurance Company and referred to in the said Consolidation Mortgage the Title shall commence with the said Consolidation Mortgage, and neither the origin nor the intermediate devolution of any such Mortgages shall be required to be abstracted, nor shall any further information concerning the same, beyond what appears in the Consolidation Mortgage, be required. The Prudential Assurance Company where appearing by the Abstract to be Mortgagees will either concur in the Conveyance to the respective Purchasers prior to the date fixed for completion, or in lieu thereof will (at the Vendor's sole option, and without any further notice to the Purchasers) re-convey the Lot or Lots sold unto and to the use of the Vendor in fee simple, subject to the then subsisting family charges, but freed and discharged from all principal moneys and interest secured by and from all claims and demands under the Consolidation Mortgage. Of the said family charges mentioned in the said Consolidation Mortgage the following only are still subsisting:—

(1) A rent charge of £1,000 per annum, payable to a brother of the Vendor during his life, and after his death to his wife during her life. (2) Certain contingent jointure rent charges in favour of the present Duchess in the event of her surviving the Vendor. (3) A rent charge of £500 per annum for pin money payable to the present Duchess during the joint lives of the Vendor and herself for her separate use, without power of anticipation. (4) A sum for the Portions of the Vendor's younger children. The present Duchess will release the premises from her said contingent jointure rent charges, but as regards the pin money charge of the present Duchess, the annual charges in favour of the Vendor's said brother and his wife, and the said Portions charge, each Conveyance will be made subject thereto, the Vendor by each Conveyance charging other estates subject thereto with the payment thereof in exoneration of the property included in the present Sale, and covenanting to indemnify each Purchaser therefrom and from any duties which may become payable in connection therewith, and each Purchaser shall accept such exoneration and indemnity as sufficient, and shall not be entitled to require any release of the said charges or any of them, or to make any enquiries in respect thereof.

11. As regards any duties of any nature which may have become payable or may become payable by reason of any death in any way affecting the property, each Purchaser shall accept as sufficient a covenant of indemnity by the Vendor against the same to be contained in the Conveyance.

12. As regards any mortgage or charges which may have existed upon part of the Vendor's Gloucestershire Estates on or since the 15th April, 1869, but which had been paid off before the said Consolidation Mortgage, the same and all dealings therewith shall be wholly omitted from the Abstract, and no information shall be required relating thereto. The fact that any mortgage or charge is not referred to in the Consolidation Mortgage as existing shall be conclusive evidence that it had been duly paid off and re-conveyed before the date of the Consolidation Mortgage.

13. In the event of Lots 1 and 2 being sold to different Purchasers, or Lot 1 being sold and Lot 2 being unsold, the Purchaser of Lot 1 shall within three calendar months of the completion of his purchase erect a sufficient fence dividing that Lot from Lot 2 between the points marked A and B on the Sale Plan, and shall by and in his Conveyance covenant to erect such fence, and thereafter to maintain it at his own cost.

14. As regards that part of Lot 2 which is coloured dark blue on the Sale Plan the same is sold and will be conveyed subject to a reservation to the Vendor, his heirs and assigns, the owner or owners for the time being of the mines and minerals reserved from this Sale, or (in the event of the same having become severed or divided in ownership) the larger part in value thereof of a right of pre-emption or re-purchase of the said portion of Lot 2 for the purposes of a colliery to be exercised at any time within the lives and life of the Vendor and the Purchaser of Lot 2 and the children now living of them or either of them, and the survivors and survivor of such persons, or within 21 years after the death of such survivor, at the price of £50 per acre, but so that in the event of such right of re-purchase being exercised, and in case the Purchaser of Lot 2 shall not purchase Lot 1 at the present Sale, or within three calendar months thereafter, there shall be excepted for the benefit of the Purchaser of Lot 2, his heirs and assigns, a right of way for all purposes to and from the remainder of Lot 2 from and to the road lying on the north side of such Lot over a strip of land not exceeding 30 feet in width, forming part of the said land coloured dark blue on the Plan, to be selected in such position as the person exercising the said right of re-purchase shall think fit, but the Vendor, his heir and assigns shall not be under any obligation to make up or construct or fence the said strip of land as a roadway.

15. Lot 5a is sold and will be conveyed subject to and with the benefit of an Agreement dated the 11th of July, 1914, made between the Vendor of the one part, and the Rev. Harold Nelson Burden and Katherine Mary Burden, his wife, of the other part, whereby a right of way was granted by the Vendor determinable on 6 months' notice. The said Agreement will be produced in the Saleroom at the time of Sale, and may be inspected at the Office of the Vendor's Solicitors at any time during business hours within one week previously, and the Purchaser shall be deemed to purchase with full knowledge of the contents thereof.

16. The site of the Chapel referred to in the Particulars of Lot 31 was by an Agreement in writing dated the 8th of October, 1907, and made between the Vendor of the one part, and the Rev. George Jarman and Edward Parsons and Samuel Iles (since deceased) of the other part, agreed to be sold by the Vendor in consideration of a chief rent of £5 per annum. The said rent has been paid to the Vendor down to the 29th of September, 1915, but as no conveyance of the said site has yet been executed the said chief rent is not yet legally secured. The Purchaser of Lot 31 shall be entitled only to the benefit of the Vendor's interest under the said Contract, and shall not be entitled to a conveyance of the said site, which shall at the costs of the Purchaser of Lot 31, so far if at all as such costs are not payable by the Purchasers of the site, be conveyed by the Vendor to the use that the Purchaser of Lot 31 shall receive such rent charge in fee simple and subject thereto to the use of the Purchasers of the said site in fee simple. The said Agreement of the 8th of October, 1907, or a copy thereof, will be produced at the Sale, and can be inspected at the Office of the Vendor's Solicitors at any time during business hours prior to the 3rd November, 1915, and the Purchaser of Lot 31, whether availing himself of such opportunity of inspection or not, shall be deemed to purchase with full knowledge of the contents thereof.

17. No further or other evidence is to be required of the identity of the Lot or Lots described in the Particulars with the property to which Title is shown by the Abstract besides such evidence (if any) as may be gathered from the description in the documents abstracted.

18. The Counterparts, Abstracts or Copies of the Leases or written Tenancy Agreements (if any) where they or copies thereof are in the Vendor's possession, may be inspected at the said Office of the Vendor's Solicitors at any time during business hours prior to the 3rd November, 1915, or in the Saleroom at the time of Sale, and each Purchaser (whether taking advantage of such opportunity of inspection or not) is to be deemed to have full notice of the terms of all the existing Leases and Tenancies whether under written instruments or not, and of all the terms upon which the Lessees, Tenants, and Occupiers respectively hold or claim to hold, and shall take over and satisfy all the liabilities of the Vendor under such Leases or Tenancies so far as the same affect the Lot or Lots purchased by him, and such notice shall not be affected by any partial, incomplete or actually incorrect statement in the Particulars with reference to any lease, tenancy or occupation, or the terms thereof, and no objection is to be made on the ground that any Lease or Agreement of Tenancy was made or entered into by a Mortgagor without the concurrence of his Mortgagee, and where any tenancy is under a written instrument no objection or requisition is to be made on the ground that a counterpart or a copy of the Lease or Agreement creating the tenancy was not taken, or if taken is not now forthcoming.

19. In all cases where rent in any Lot is stated in the Particulars to be an apportioned rent the Purchaser shall accept a Conveyance of such apportioned rent and shall not require the consent of the tenant to such apportionment to be obtained.

20. Each Purchaser shall be satisfied with and accept as sufficient the statement in the Particulars as to the amount of any land tax, tithe rent-charge, or any part thereof to which the Property or Lot or part of a Lot is now subject, or is for the purpose of this present Sale to be taken as subject, and shall not make any objection on the ground of any land tax or tithe rent-charge not being now, or not having been on any former occasion legally apportioned; or any indemnity against any part thereof which ought to be borne by other property. As to any Lot which is sold free from land tax the Purchaser shall be satisfied with such evidence (if any) of its being so free as the Vendor may be able to adduce.

21. The several Lots are believed to be and are to be taken as correctly described, and are sold subject to all (if any) quit rents and other rents and rights of way, light and other easements and rights of adjacent owners affecting the same, or now or heretofore used or enjoyed in respect of any property of the Vendor not comprised in the present Sale, and to any liability to repair or contribute to the repair of roads, ways, bridges, dykes, sewers, gutters, fences, and other like matters, and subject also to the existing tenancies and all allowances to and claims for compensation and other rights and interests of the tenants by custom, statute, lease or agreement, and whether arising during the continuance or after the determination of their tenancies, and any incorrect statement, error or
